

Spring 1

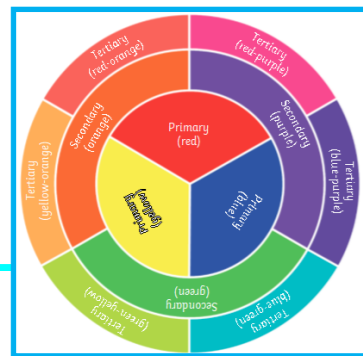

All Things Wild and Wonderful

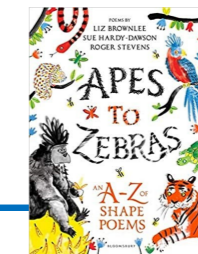

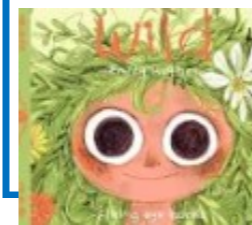

Art

As **Artists** Willow class will think about their favourite colours and the colours that are all around them every day, before looking at how colours are used in art. They will learn about primary colours, secondary colours, colour mixing, and light and shade, as well as look at the artwork of artists who use colours in interesting ways, namely Kandinsky and Mondrian.

English

As **writers** we will be writing a narrative based on the book Wild by Hawaiian artist Emily Hughes all about a child who has known nothing but nature. The children will be writing a letter in role as a character who goes on the journey from the popular text Where the Wild Things Are. Finally the children will be writing poems shape poems based on the text Apes and Zebras.

Computing

As computer scientists the children will be programming their own digital device or an on screen robot.

The children will learn to:

- Give simple instructions to control a device.
- Use trial and error when programming.
- Name digital devices that need precise instructions to work.
- Use some basic computing terms, such as, algorithm, sequence.

RE

As **philosophers**, we will learn all about special books of three major world religions. We will find out about the Torah, the Bible and the Qur'an before exploring why they are important for Jews, Christians and Muslims. We will learn about the key features of the books, why they are important and explore some of the teachings included in them

Stand alone units

PSHE

Dreams and Goals

As good citizens we will be:

- Setting simple goals.
- Setting a goal and working out how to achieve it.
- Understanding how to work well with a partner.
- Tackling a new challenge and understanding this might stretch my learning.
- Identifying obstacles which make it more difficult to achieve my new challenge and working out how to overcome them.
- Explaining how I felt when I succeeded in a new challenge and how I celebrated it.

Maths

As **Mathematicians** we will be:

- Understanding addition and subtraction
- Learning more about place value
- Exploring the concept of zero

Throughout our learning we will deepen our knowledge by reasoning and problem solving investigations.

PE

As **athletes** we will be improving our balance and throwing this half term. We will be using different types of equipment to challenge ourselves and build upon our learning from Autumn 2 with Mr O!

Music

As musicians we will be learning to sing nursery rhymes and action to the following songs:

- Old Macdonald
- Incy Wincy Spider
- Baa Baa Black Sheep
- Row, Row, Row Your Boat
- The Wheels On The Bus
- The Hokey Cokey

Home Learning

It is very important that children continue to read at home on a daily basis for a minimum of 10 minutes. Reading Records must be completed each day and given in on a Monday and Thursday.

Your children's books will be handed out on a Tuesday and Friday.
