

# The History of Nursing

## English

As authors we will be writing narratives based around the One Day on our Blue Planet books set in two differing continents. The children will learn through the eyes of a lion cub and a penguin all about these wonderful corners of the globe. The children will then be using the texts to write information leaflets all about these places.

## DT

Cherry Tree will develop their knowledge of healthy eating as they explore a variety of fruit and vegetable, what they look like, taste like and feel like, as well as how to prepare both fruit and vegetables through cutting, grating and peeling. They will then have the challenge of designing, making and evaluating their own healthy and tasty salad.

## Computing

As computer scientists the children will be learning to:

- use technology purposefully to create, organise, store, manipulate and retrieve digital content.
- recognise common uses of information technology beyond school.
- use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

## Science

As scientists we will be looking at plants! We will observe and describe how seeds and bulbs grow into mature plants and explain how plants need water, light and a suitable temperature to grow and stay healthy. We will then observe and describe changes of plants over time.

## History

As historians, Cherry Class will Meet Florence Nightingale and Mary Seacole, two of the most famous historical figures. They will find out about their remarkable lives as they journey through lessons about their youth, famous voyages, and the work they did, as well as the work they did in her later years to improve nursing and hospital care.

## Trips

As explorers we will be visiting The Local Library to find out all about the resources you can access there and explore the wonderful book collections on offer.

## Stand alone units

### Maths

As **Mathematicians** we will be learning to:

Y1

- Measurement: Length and Height Measure and begin to record lengths and heights.
- Compare, describe and solve practical problems for: lengths and heights (for example, long/short, longer/shorter, tall/short, double/half).
- Measurement: Weight and Volume Measure and begin to record mass/weight, capacity and volume.
- Compare, describe and solve practical problems for mass/weight:[for example, heavy/light, heavier than, lighter than]; capacity and volume [for example, full/empty, more than, less than, half, half full, quarter].

Y2

- Choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature (°C); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels.
- Compare and order lengths, mass, volume/capacity and record the results using  $>$ ,  $<$  and  $=$ .

Throughout our learning we will deepen our knowledge by reasoning and problem solving investigations.

### PSHE

#### Healthy me

As good citizens we will be:

- Understanding what I need to keep my body healthy.
- Showing or telling what relaxed means and understanding some things that make me feel relaxed and some things that make me feel stressed.
- Understanding how medicines work in my body and how it is important to use them safely.
- Sorting foods into the correct food groups and knowing which foods my body needs every day to keep my healthy.
- Making some healthy snacks and explaining why they are good for my body.

### PE

As athletes we will be playing handball! We will be using what we have worked on so far this year, catching, throwing and agility, and applying these skills in groups and match settings. We will look at how we can pass and move into space whilst also identifying how we can use tactics to attack and defend as a team.

### French

As Linguists we will be:

- Continuing to learn animals and colours
- Learning nursery rhymes

### Music

As musicians we will be: Studying **Round and Round**.

- The children will learn to listen and appraise Round and Round and other songs in a similar style, such as: Livin' La Vida Loca (Latin/Pop) by Ricky Martin, March Of The Empire ( Film music) by John Williams, Had Better Be Tonight ( Latin/Big Band Jazz) by Michael Bubl  and more.

The children will have fun playing warm-up (pulse, rhythm and pitch) games. Before learning to play instruments along to the music.

**Home Learning:** will go out on a Friday.

- Spellings will be sent home weekly to be learned. Along with a Spelling Shed online activity.
- Children should complete the assigned MyMaths and Times Table Rock Stars activities.
- It is very important that children continue to read at home on a daily basis for a minimum of 10 minutes. Reading Records must be completed each day and given
