

Governor Appointment and Attendance Record

All schools are required to publish each governors appointment date, type of governor, term of office and attendance record. Below is a table of the Kew Riverside governors and their attendance record this academic year.

There is a Full Governing Body (FGB) committee and three sub committees: Finance and Resources (F&R), Curriculum and Achievement (CAC), and Engagement and Communication (E&C). Governors are invited to attend all meetings and may indicate a preference for those where their skills are best utilised, however they should issue apologies to the respective chair and the clerk if not able to attend any of the scheduled dates. All committees hold two meetings per term unless otherwise agreed.
