The application process

Please ensure that you read the complete Admission to Richmond's Secondary Schools brochure online at www.richmond.gov.uk

Apply online at www.eAdmissions.org.uk

Your application will be managed by the Council's School Admissions service where you live (eg if you live in in the borough of Richmond, this is your home council).

- You can apply for up to six schools, academies or free schools (state-funded schools) in the Richmond borough and in other council areas.
- You must list the schools in the order that you prefer them. The order of preference is important as it will decide which school is offered if your child qualifies for a place at more than one school.
- Each school considers your child's application against its admission criteria **only** and not according to your order of preference.

- The order of preference in which you list your schools is **confidential**. Schools are **not** told the preference order in which you have listed them.
- You should check if you need to complete a supplementary information form for the schools you are applying for. If the school is outside Richmond borough, please refer to the relevant local authority or contact the school (contact details for neighbouring authorities can be found in the Admissions brochure).
- For more details on the schools' admissions criteria, please refer to the school's individual website.

All of the above points are covered in the Admission to Richmond's Secondary Schools brochure in a step by step guide which you can find on the Richmond website www.richmond.gov.uk
