

PARENT SURVEY RESULTS 2019

This survey was completed over 8 weeks in the Spring 2 term by parents attending class assemblies.

The main strengths were:

I am well informed of upcoming school diary dates and events (87%)

I believe my child is safe at Kew Riverside (86%)

I understand my child's attainment and progress at Kew Riverside (82%)

I understand the school's vision (81%)

Areas that showed respondents had 'no strong feeling' about could indicate an area to communicate more effectively:

I know what my child's targets are (74%)

Action: Leadership are finalising new target sheets for children from September 2019 that will show parents progression through the year.

I am satisfied with how the school spends funds raised by the PTA (70%)

Action: The headteacher will work with the PTA to communicate what was spent in 2018/19 and on what. Similar to the PPG table we publish on the website.

I know what the school's development priorities are (67%)

Action: The newsletter has been used as a link to inform parents of the SDP. However, at regular intervals this will need greater promotion. TBA
