Spring Bonnet Parade - March 31st

This year the whole school will be taking part in a “socially distanced” Spring Bonnet Parade on **Wednesday 31st March!** As part of your home learning for this week, please create a seasonal piece of headwear. It can be as wacky and creative as you like (I’m sure you have some EGG- cellent ideas!)

Each class will take part in a parade around the school playground with Liz and the leadership team choosing a winning bonnet from each class – special prizes included!

A video of the parade will be posted on Google Classroom for parents to enjoy!

Fit for Sport is back up and running before and after school. You can book a place for your child [here](#).

After-school clubs will start again after the Easter holidays. More information to follow

Covid Home Testing

Households can now access home Covid tests. We would strongly encourage you and your family to consider taking up the regular testing on offer, as this is a way that you can continue to help keep Covid out of school and protect all those in the school community. You can find out more on how to access this [here](#).

Safety reminders

Can parents please avoid parking on the corner of Townmead Road and Kew Meadows Path? Please use the car park for everyone's safety.

Please try to avoid driving into Courtlands Avenue or parking there out of respect for our neighbours

Also just a reminder not to stand in the yellow box in front of the gate to the Nursery, please queue behind and in front of the taped area.

Many thanks
