### Whole School Information

It has been a great start to the new school year. The children have warmly welcomed me to the Kew Riverside community and I would also like to thank you all for the warm words of support and enthusiasm you have given me already. We are all looking forward to a successful year ahead. My message to the children this week has been that it is not where they start that matters, but where they finish and as ever, the staff and I are determined that all of the children have the opportunity and support they need to achieve the highest standards for themselves. To do this, we will always work closely with you and quick and clear communication of any concerns will be vital. I look forward to meeting more of you over the coming weeks.

Darren
