Dear Parents/Carers

We are well and truly into the season of parent consultations, pupil progress meetings, pantos, parties and performances. The first half of the term finished on a real high with some amazing work produced by children across the school in partnership with Orleans House Gallery and brilliantly organised by Jane. Please visit the school office area to view some of the work. On the last Friday, the school was filled with a mixture of ghouls, ghosts and goblins (plus the occasional footballer!) at the Halloween Disco. Again, the PTA have planned and produced a wonderful event for the children, which was also attended by many parents who, I think, had more fun dressing up than the children! Thank you to Denise, Jo and the team.

Also, thank you to all those who have completed the questionnaire and skills register that we sent out at the end of last half term. The collection point is in the office area and I would encourage you to get those in to us as soon as possible please!

A further reminder that the school's 2014-15 results are published on our website, as are former issues of this bulletin. Future plans and curriculum maps showing what the children are learning will also be published on the site in future weeks.

Congratulations to all the winners of the Golden Certificates in Autumn 1. Their names are still displayed on Golden balloons in the Office area.

Finally, at the Parent Consultation meetings, members of the Governing Body have kindly offered to be available to discuss any questions you may have regarding curriculum subjects. They welcome both positive and constructively critical comments, as do I.

Thank you.

Darren

Craze of the Week: Origami

Community Information .

You may remember last year's 'Screen Your Story' competition, and you may remember that Sacha Saucek entered and was one of the winners. It was a huge success with over 600 entries. The competition is running again with the same panel of judges headed by Michael Morpurgo and as well as the winning stories being published the winners will get the chance to read their stories at the Children's Literary Festival to be held in Barnes in May 2016. We also have a film competition with the top stories being made into films to be shown at the Gala and also at the Film Festival. There is no fee for entry, every winner gets a complimentary copy of the book and a complimentary ticket to the Gala - and we pick the top story from each school so all schools which enter will have a winner. Full details at our website where you can also see photos of our Gala.

Resilience and Independence - a workshop for parents with Gill Hines

Tuesday 10th November, Kitson Hall, Barnes. 7.30 - 9.30pm

A resilient and independent child is one who can deal with the ups and downs of life without becoming overwhelmed and can recognise everyday annoyances and irritations as just that. They can cope with the choices of other children without running off to adults all the time to 'fix' things for them and they know how and when to get the help they need if things get serious.
