

We would like you to get creative this November and design this year's Cool Milk Christmas card.

We're looking for colourful designs that incorporate milk into a Christmas scene.

To enter, simply download an entry form which you can print out and hand to the children. Once completed, post the entry forms back to **FREEPOST Cool Milk** (no further address required) by **Friday 13th November**.

Along with having their design professionally printed and delivered to hundreds of people across the UK, the winning child will also receive a **£100 WH Smith gift card** as well as copies of the card that they can then send to friends and family.

Good luck!

P.S. If your children would like some inspiration before they get started, check out the winning designs from previous years on [our website](#).

Cool Milk

Unfortunately, we are unable to return any entries. For full terms and conditions [click here](#).
