Learning Partnerships

Projects thread throughout the 4 priorities

## Why are the priorities unchanged from 2017-18?

- This is a 3-5 year plan
- Some projects linked to priorities have been achieved and closed
- New Projects link to updated PRIORITIES

## Commonly, prospective parents look at 3 things:

- The Ofsted Rating – GOOD +
- League Tables
- Word of Mouth
  
- Some value small, innovative, unique and personalised – THAT'S US!

We cannot do much about Ofsted until 3 years comes around, but...

### Annual League Tables –

- Maintain high standards
  - Good results over time / upward trends
  - Keep above national and in line with LA

### Word of Mouth –

- Innovate – OAK, Continuous Provision, PATHs, Learning Partnerships, Pupil Asset, Bluewave Swift...
- Live the vision, every day – staff, children, parents, governors...
- Keep communication high on the agenda – website, events, engagement
- Value staff training and development – expert teachers, projects, moderators...
- Curriculum that is ‘deep and broad’

### Also:

- Maintain a high roll - ‘sell’ the school

## Our Vision Statements

To help our children become confident, resilient and socially responsible individuals who set and achieve the highest standards for themselves.

To provide a broad and rich curriculum that engages each and every child with indoor and outdoor learning of the highest quality.

To work in partnership with the whole school community, respond to its voice and value its diversity.

## Our Mission Statements

During every school day

...children engage with a broad and rich curriculum that meets their needs and helps them achieve their full potential.

...we plan stimulating experiences, inside and outside of school, where children learn and develop new skills, knowledge and understanding.

...children build values that will help support their confidence and their resilience in life beyond the school gate.

...our children are happy, safe and secure.

...the school community celebrates the importance of its cultural diversity, learning from one another in order to cooperate and collaborate.
