

Dear Parent

OPEN EVERY SATURDAY – 10:00am to 15:00pm

We would like to take this chance to introduce you to High Road Market.

High Road Market is an exciting new local market that takes place in the grounds of **Belmont Primary School, 1 Belmont Road, Chiswick, W4 5UL.**

Every Saturday, the market will host the best Farmers, Growers selling a mixture of organic, free range and sustainable produce sourced as locally as possible and the best street food traders London has to offer bringing a wide range of cuisines from around the world.

The market will offer organic, free range and naturally grown:

- Meat and poultry
- Cheese
- Bread
- Game
- Fresh vegetables
- Fish (less than 24 hours caught out of the sea)
- and much more

Alongside the Saturday market we are aiming to run a full range of events that include cooking demonstrations, tastings and talks. We want people to feel that the market is a place where they can really develop their food and drink knowledge.

We want to grow the idea of a place where not only can you come to buy your weekly shop and try out some amazing street food but to also interact and learn. Speaking to the industry specialist to grow your knowledge about what is in season and the very best ways to cook it as well as building a community spirit.

We will have entertainment for both children and adults alike, games and activities for all ages, a bar with cocktails and a selection of craft beer for the adults.

In order to extend the value that the market brings to the local community we are also looking to work with local initiatives. We intend to establish the Market as a 'food hub' for the local community, a place where residents can come to learn about how produce is grown and understanding the benefits of buying organic and free range.

Please check our website for more details. WWW.HIGHROADMARKET.COM or follow us on twitter @highroad_mkt.

See you there

High Road Market
