Dear Parents and Carers

We have come to the end of the school year. Sadly, some of you will be leaving us after many years at Kew Riverside and some of you will have younger children who will be starting with us in September.

Our wonderful Lions now have different challenges ahead but we are confident that they have the wit, confidence, eloquence and skills to deal with all that life throws at them.

Life in school is a long journey. Children will experience more here in their young lives than at home or anywhere else. As a school, we have a duty to them and to you, to educate them but also to care for them and to help them become socially responsible young people. We never forget that these children are the world's future. Their dreams are our dreams and with your help we can move them closer to fulfilment. There will be times when we disagree on an aspect school policy but as teachers and parents, we know that we always have the children's best interests at heart.

It has been a real honour being your headteacher this year. I will have many areas of my own development to work on next year and as a school we continue preparing of the inevitable Ofsted visit. I am confident that as a community we will get stronger and stronger over the coming months and I want to thank you all for your continued support of the school.

Have a lovely summer and come back safely in the Autumn!

Darren

Safer Gaming

Please visit the website and read the letter from the LCSB and our safeguarding advice on the e-safety page. Children playing or experiencing games that have a PEGI rating above their age, could be classified as neglect and investigated further.

PTA Letter

Well another school year has come to an end, and what a busy one it's been. Kicking off with our first ever and hugely popular Halloween Disco, we then had the Christmas fair to organise along with a cinema night, Roald Dahl themed May fair and finishing off with our Midsummer Camping Night. Throw in lots of parental help for International Day, sorting books for new library, stage and set design for theatre productions along with all our amazing class reps who do a fantastic job, it's been a busy but hugely successful year for our PTA and school.

The camping night raised a very grand total of £1973.68, so Neal you better get picking those table tennis tables!

Thank you to all that have been involved, a PTA AGM will be scheduled for next term where we will be discussing how money is spent plus where we go from here. Not having an actual chair or co chair hasn't been ideal but we've pulled together and made it work with volunteers offering to run certain events. Looking forward we really do need the key roles of a chair/co chair even if it's just to oversee everything, or as a contact name to an event, so please over the school holidays give it some thought, we will also be looking for the position of secretary and treasurer, it would be a really shame if events have to be cancelled.

That being said the Halloween disco WILL go ahead!! Thank you to the lovely Sharon Eyre who has offered to run the event!

We hope you all have a lovely summer!! May this gorgeous weather continue till we come back in September!
