Dear Parents and Carers

Welcome Back!

A big thank you for all the lovely cards and presents we received – I personally felt very spoilt and am still burning it off!

The children (and staff) have settled comfortably after the break. We welcome Rianna Follis to the teaching team in Monkey class and of course, to Laura, who has been missed by all. We also have some new families joining our school community and have said a sad farewell to others.

We will be holding an **information evening on 19th January**. The first part will be to explain how you can support your child at home and the second part will be an explanation of how we assess the children and create the reports.

Can I please again remind you to not allow your younger children to

play with balls or other sports equipment or use the climbing frame before or after school. The only activity allowed is the table tennis. If your child has a bike or scooter, they must walk this through when entering the school site. If they are caught riding, the gentle reminder may turn into a behaviour warning. Thank you.

Darren

Our destination is Bruges, approximately 255km total cycling distance, and our aim is to complete this within 36 hours!

We are still looking for more parents, relatives and friends to take part in this event to **raise money for the development and improvement of the school field.**

Training, support, tips and assistance provided. **We have 14 parents to date** - mums and dads - **and need 20 to make this viable.**

All you need is a road bike, a minimum level of fitness, enthusiasm and a 'can do' attitude!
