Whole School Information

It has been a busy couple of weeks with a range of professional instructors from the borough working with children across the school to develop their road safety awareness and skills. Children in Elephant class have been practising their scooting skills in the playground while Monkeys have been out and about in the local area as part of the Safe Walking pedestrian scheme, learning to cross roads safely and raise their awareness of potential road hazards. Lion class, meanwhile, have completed their cycling proficiency training. All our visitors were most impressed with the mature and sensible attitude of our children.

Girls' Football

Our Girls' football team should be congratulated for playing with such determination and gusto in their match against East Sheen this week and for managing to slip a goal past such strong opposition (score 1:11). Keep going, girls!

Choking Advice: This has been highlighted at first aid training that some of the T/As have attended and would like to share with you. Grapes cut

in half and sausages cut into disc shapes are especially dangerous and can block the wind pipe. It is advised that these foods are cut into quarters or smaller pieces. Please remember no vitamin pills in lunch boxes or anti bacteria gel.

Sports Events

The new (Optional) PE shirt has arrived and is available at the Shoe Station (Kew Village). There is a sample on the sports board. The cost is £7.50.
