

Name _____

Date _____

Are Bees Insects?

Ants are insects. Are bees? In the outside of each circle, write down how they are different. In the middle part where the circles intersect, write down how they are the same.

Bee

Ant

A Venn diagram consisting of two overlapping circles. The left circle is labeled 'Bee' and the right circle is labeled 'Ant'. Each circle contains several horizontal lines for writing. The overlapping area in the center also contains horizontal lines for writing.
