

Hi all! Its official the count down to Easter has begun, and we at fit for sport Kew Riverside have a rather eggcentric new egg themed league table that the children think is cracking!

If that wasn't eggciting enough, each week until next term, first, second and third places will win an Easter egg!!

Games Bank update!

Our beloved games bank has been updated! and now boasts an impressive 28 games that the children vote for, with the winning game then played at "group time" there is defiantly something for everyone to enjoy!

Funday Monday and Friday!

Monday and Friday mornings we unleash, either the swinging ropes and ladder or the ginormous folding climbing frame in the schools main hall and as if that wasn't already fun enough we allow the children anything they wish from the P.E. apparatus cupboard, fun times!

Artist of the week

is a real "scream"... Edvard Munch who's other popular works include "the dance of life" and "Madonna" (not the cape wearing one though).

Lastly but certainly not leastly! The main event... as promised our fit for sport

league champions!

Sports person award. Estelle.

Most points scored. Iris.

Highest goal scorer. David.

Most improved performance. Elise.

First, second and third place! Iris, Matilda and Ruben.
