

Thursday and Friday

LO: write our own fact-file about honey bees using extended sentences.

Tasks for today:

- Use your notes to write a fact-file with:
 - A title
 - Subheadings
 - Interesting facts
 - A diagram – a scientific picture of a honey bee
 - Extended sentences using coordinating conjunctions
- Your subheadings can be these questions:
 - What habitat do they live in?
 - What do they look like?
 - What type of animal are they (classification)?
 - What do they eat?
 - Why are they important?
 - What threats do they face?
 - What interesting facts can you find?

You can do this on paper or the computer!

Send me a picture of your fact-file, or read it out for me!
