PROFESSIONAL CARING TEAM

SCL have been running their Holiday Clubs for more than 15 years and has 50+ full time staff working at our venues. In addition, our support staff consists of Early Years and primary teachers, SCL apprentices and university students studying sports and childcare qualifications. During term time our staff work with children delivering PE lessons and extra-curricular clubs at over 130 school across the South East.

SETTLING IN

To help your child get the most out of their time with us, they will be grouped with children of a similar age and enjoy age-appropriate activities. For the youngest children, the emphasis is on fun and learning. As the children progress through the age ranges we develop specific skills and introduce an element

"I would like to congratulate you on finding such a dedicated and enthusiastic team to run this club. All of them have been really kind and helped him settle in with no-one he knows, in his words "I want to come here forever" thank you for delivering such a high standard of care!"

"Thank you for the excellent service this year, our daughter loved the variety of activities you offer. The activities are different, energetic and more exciting than anything at home! We are very happy that she is in such a safe and happy environment"
