Understanding Autism

For parents of children aged up to 11

About the seminar

'Understanding Autism' is one of the Autism Seminars for Families which provides information and advice to parents and carers of children aged up to 11 who have received a recent diagnosis or are on the road to a diagnosis of autism.

The seminar will help families to:

- > develop an understanding of autism
- > discuss experiences of getting a diagnosis
- > identify how autism can affect families
- > explore practical ideas for developing communication strategies
- > clarify support that families may be entitled to and ways to access it.

Seminar cost

Families can book up to **two places** on an 'Understanding Autism' seminar for **£20** which includes a seminar booklet. This seminar is delivered by a seminar facilitator using materials they have bought from The National Autistic Society.
