Moments of Triumph

After half term we will launch 'Moments of Triumph' at Kew Riverside Primary School. Developed by Colin Tucker at Ryefield Primary School, Moments of Triumph is a reward programme designed to develop the whole child. It aims to develop intrapersonal skills, interpersonal skills, adaptability, stress management, general mood and life skills.

Parental support is crucial for the children to achieve all of their 'Moments of Triumph' over the course of the year so we look forward to getting you involved! After the half term break you will have a Moments of Triumph target card to keep at home so you know what your child is working on. There will be time dedicated in school to ticking off some of the targets and lots of rewards to earn such as non-uniform day vouchers, stickers and certificates.

School Meal Supervisor Assistants

We are looking to employ two SMSAs to help us with lunchtime cover in the hall. This would be a fabulous opportunity for a parent and would likely be for two hours a day. More information to follow but if you think you would be interested please let me know through info@kewriverside.richmond.sch.uk

Our School needs YOU!

WE NEED YOUR HELP!

PTA

The PTA is **CRITICAL** for Kew Riverside. The money raised enhances and supports the curriculum and is essential to subsidise the school budget. Without the PTA's fundraising, the cost of school trips will rise to £15 per child so it is absolutely fundamental this support continues. Being a member of the PTA is fun, rewarding and will directly benefit **YOUR CHILD!** The more members there are then the less work it is for everyone. Please contact Katy if you would like to get involved on katyjwilliams81@gmail.com

REFEREES

The school will be having regular football matches with other schools during the school year. Please can you let Lisa know if you are interested in being an impartial referee for these matches

Dangerous Parking

Please be considerate when parking down Townmead Road. I am hearing reports of people parking on corners, parking on yellow lines, reversing round corners where children are crossing and generally putting our children in danger.

Safeguarding

A reminder that if you have any safeguarding concerns about a child, please contact the school's DSL and refer to the school's Safeguarding and Child Protection Policy (on the school website). If you feel a child may be in danger, you may contact the SPA directly on the number below or the police directly.
