

Level 4 Extension Questions - Rivers of the World

These questions have more marks and require you to give evidence and explain your answer. You are working towards gaining three marks, so remember to make your **point**, give **evidence** and **explain** - then repeat this.

I will help you with the first part of question 1 😊

1) How does the author support the reader to navigate around this text? (3 marks)

Tip: What does the word 'navigate' mean? Check in the dictionary

Point: He puts some words in bold.

Evidence: 'source' and 'channel' are in bold

Explain: This means that people know they are in the glossary

Now write your answer as a full sentence using the **KEY language/conjunctions**, we have discussed this in class before but don't worry if you can't remember - I have shown this below:

Introduce your answer

To help the reader navigate the text the author has put some of the key words in bold such as 'source' and 'channel'. This means that people know that these words can be found in the glossary to help them understand what they are reading. Also,

Now you try to add to the above:

Point: _____

Evidence: _____

Explain: _____

2) What actions might people take after reading this text and why? (3marks)

Tip: Use the method of Point, Evidence and Explain to answer this question.
