

## French - Les animaux

Before the school closure, we were learning the names of animals in our French lessons.

### Task 1: Video & Matching Exercise

Look at the French Pets slide on SeeSaw and watch these videos:

<https://www.youtube.com/watch?v=OLUrufz-RRA>

Complete the matching activity:

Match the French animal name to the correct picture. Use your general knowledge or knowledge of other languages to help you guess. The answers are on the next page for any that you need help with. Say the word out loud three times using the phonetic guide and draw an arrow towards the right picture each time you say the word aloud. One has been done for you.
