

Solve Joe's Homework!

Joe has accidentally spilled some paint onto his homework. Can you write the missing numbers?

1. $7 + \square = 11$

2. $10 - \square = 4$

3. $15 - \square = 6$

4. $\square + 5 = 11$

5. $16 - \square = 8$

6. $19 - 5 = \square$

7. $8 + \square = 12$

8. $\square - 3 = 7$

9. $12 + 3 = \square$

10. $\square + 5 = 11$
