

English - Guidance

This learning pack contains guided reading and comprehension material, writing exercises and handwriting/spelling to keep you busy!

WRITING

I have made a PDF of the different tasks. I recommend this routine for the week - but PLEASE don't feel obliged to follow it exactly...

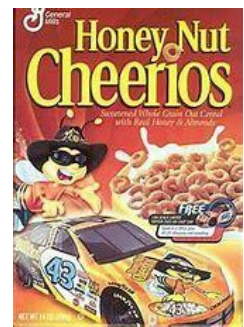

Monday: The spider diagram of exciting language ideas WITH EXAMPLES (pages 2 and 3 of the PDF). Check your ideas using the glossary on page 4.

Tuesday: Writing challenge one - using exciting language in a short piece of writing. Use the glossary and given ideas to help you. Absolutely do more than one if you feel you can. (pages 5 and 6).

Wednesday: Finishing Tuesday's work (if needed), then identifying exciting language in the advertisement given (pages 7 and 8).

Thursday: Planning your own advertisement (see template on page 11).

Friday: Designing your own advertisement (see template on page 12).

READING

I have attached Bronze (easy), Silver (medium) and Gold (hard) reading exercises for each day. If you find the one you choose too easy, move onto the level above.

HANDWRITING/SPELLING

Attached are the statutory spellings for Years 5/6 on a handwriting template.
