

## RE Guidance

Since we had studied Buddhism last term, we can recap some of the things that we learnt.

Your task this week is to sequence the story of the Buddha. If you can do this without help, that's fantastic. However, if you need a reminder, follow the link to help.

You don't have to print out the pictures - you can instead either: act it out with a parent or a sibling, write your own version of the story or create a comic strip. Below is an example of a comic strip of the Easter story to help you think about how to make a comic strip of the Buddhism story.

Let me know how you get on! 😊

<h3>The Easter Story</h3>			
	Jesus was born in Bethlehem. He grew up in Nazareth with his Mother and Father. He became a carpenter.	When he was about 30 years old he began teaching the people. He also performed some amazing miracles.	Jesus asked twelve men to be his helpers. He called them disciples.
